

BRIGHT BLUE ROSE (Mary Black)

[Verse 1]

D I skimmed across black water, without once submerging
G
D **A**
Onto the banks of an urban morning
D **G**
That hungers the first light, much much more than the
D **A** **D**
mountains ever do

[Verse 2]

D And she like a ghost beside me, goes down with the ease of a dolphin
G
D **A**
A-and emerges unlearned, unshamed, unharmed
D **G**
For she is perfect creature, natural in every feature
D **A** **D**
And I am the geek with the alchemists' stone

[Chorus]

G **A** **D**
For all of you who must discover,
G **A** **D**
For all who seek to understand,
G **A** **D**
For having left the path of others
C **G** **A**
You'll find a very special hand.

[Verse 3]

D And it is a holy thing, and it is a precious time
G
D **A**
And it is the o-only way
D **G**
Forget-me-nots among the snow, it's always been and so it goes
D **A** **D**
To ponder his death and his life eternally

[Chorus]

G **A** **D**
For all of you who must discover,
G **A** **D**
For all who seek to understand,
G **A** **D**
For having left the path of others

C **G** **A**
You'll find a very special hand.

D **G**
And it is a holy thing, and it is a precious time

D **A**
And it is the o-only way

D **G**
Forget-me-nots among the snow, it's always been and so it goes

D **A** **D**
To ponder his death and his life eternally

[Outro]

D
One bright blue rose outlives all those

G
Two thousand years and still it goes

D **A** **D**
To ponder his death and his life eternally
