

I USETA LOVE HER

[Verse 1]

G **C**
I have fallen for another she can make her own way home
C **G**
And even if she asked me now I'd let her go alone
G **C**
I useta see her up the chapel when she went to Sunday mass
C
And when she'd go to receive, I'd kneel down there
G
And watch her pass
D
The glory of her ass

[Chorus]

G **C**
I useta to love her, I useta love her once
C
A long, long time ago
G **C**
I useta to love her, I useta love her once
C
A long, long time ago
F **A#** **C**
It's gone , all my lovin' is gone

[Verse 2]

G **C**
D'you remember her collecting for concern on Christmas eve
C **G**
She was on a forty eight hour fast just water and black tea
G **C**
I walked right up and made an ostentatious contribution

And I winked at her to tell her I'd seduce her in the future

When she's feelin looser
