

Jock Stewart

Oh my name is Jock Stewart I'm a canny gaun man
And a roving young fellow I've been
So be easy and free when you're drinking with me
I'm a man you don't meet every day

I have acres of land I have men at command
I have always a shilling to spare
So be easy and free when you're drinking with me
I'm a man you don't meet every day

I'm a piper by trade, I'm a ramblin' young blade.
And many's the tune I can play
So be easy and free when you're drinking with me
I'm a man you don't meet every day

Let us catch well the hours and the minutes that fly
And we'll share them sae weel while we may
So be easy and free when you're drinking with me
I'm a man you don't meet every day

Well I took out my dog and my gun for to shoot
All along the green banks of the Spey
So be easy and free when you're drinking with me
I'm a man you don't meet every day
