

Our Town (Calverton edit)

D G D A

D G
And you know the sun's settin' fast,
D A
And just like they say, nothing good ever lasts.
D G
Well, go on now and kiss it goodbye,
D
But hold on to your lover,
A
'Cause your heart's bound to die.

CHORUS

D G D A
Go on now and say goodbye to our town, to our town.
D G D A
Can't you see the sun's settin' down on our town, on our town,
D G D A D
Goodnight.

D G
Up the street beside the Rodney sign,
D A
That's where I met my baby one hot summer night.
D G
She was the tender and I ordered a beer,
D A
It's been forty years and I'm still sitting here.

D G
And you know the sun's settin' fast,
D A
And just like they say, nothing good ever lasts.
D G
Well, go on now and kiss it goodbye,
D
But hold on to your lover,
A
'Cause your heart's bound to die.

CHORUS

D G
It's here I had my babies and I had my first kiss.
D A
I've walked down Main Street in the cold morning mist.
D G
Over there is where I bought my first car.
D A
It turned over once but then it never went far.
D G
And I can see the sun's settin' fast,
D A
And just like they say, nothing good ever lasts.
D G
Well, go on now and kiss it goodbye,

D
But hold on to your lover,
A
'Cause your heart's bound to die.

CHORUS

D G
I buried my Ma and I buried my Pa.
D A
On Mansfield Lane where they bury them all.
D G
I bring them flowers about every day,
D A
But I just gotta cry when I think what they'd say.

D G
If they could see how the sun's settin' fast,
D A
And just like they say, nothing good ever lasts.
D G
Well, go on now and kiss it goodbye,
D
But hold on to your lover,
A
'Cause your heart's bound to die.

CHORUS

D G
Now I sit in the square and watch the Geordie club fights.
D A
But I can't see too good, I got tears in my eyes.
D G
I'm leaving tomorrow but I don't wanna go.
D A
I love you, my town, you'll always live in my soul.

D G
But I can see the sun's settin' fast,
D A
And just like they say, nothing good ever lasts.
D G
Well, go on now I gotta kiss you goodbye,
D
But hold on to your lover,
A
'Cause your heart's bound to die.

D G D A
Go on now and say goodbye to my town, to my town.
D G D A
I can see the sun's settin' down on my town, on my town,
D G D A D
Goodnight.
D G D A D
Goodnight.
