

MIDNIGHT ON THE WATER

 D G D
There are times when I am blue thinking of you and me
 G D A D
At midnight on the water and how it used to be

 G D
There were stars among the trees in some old memories I know
 G D A D
At midnight on the water not so long ago.

CHORUS:

 D
Though they're gone Like floating dreams

The scenes where they're as in a mirror
 Em
Made by the moon upon the water
 Bm D
And our love was never stronger
 G D
But the picture was broken by the waves we left behind
 G D A D
At Midnight on the water once upon a time.

Instrumental chorus

 D G D
There are times when I am blue thinking of you and me
 G D A D
At midnight on the water and how it used to be

 G D
In the stillness of the lake Where these thoughts take me again
 G D A D
At midnight on the water do you remember when.

REPEAT CHORUS
